

## This Christmas, give the gift of helping to feed our community!

This year, De Mazenod Door Outreach has Christmas Cards available so you can make a donation in honour of a special person, bringing added meaning and joy to your gifts this Christmas season. You can customize your card with a personal message letting the recipient know that a donation has been made in their honour, or a loved one's memory, that feeds people in need.

**Did you know...** De Mazenod Door Outreach serves 400-600+ meals per day 365 days a year to the poor and marginalized in our community. The need is great and your gift will make an immediate difference. Here are some helpful facts to assist in your gift amount:

-  **\$200** feeds one guest lunch for a month
